# Norfolk Public Schools Music Boosters

You are being given this letter because you realize the importance of an education in the area of the arts. Involvement in the music programs offered at Norfolk Public School provides students with opportunities to use their gifts and experience the arts in a way that help them be successful in their futures. Confidence, courage, determination and hard work are just a few of the values gained by our students.

The Music Boosters provide financial support to these programs and supplement the school budget. In addition to financial support, the Music Boosters provide many hours of volunteer service which enriches the experience of all music students

Please support the Music Boosters with your financial gift by filling out the Membership Contribution form below. It must be returned with payment before **September 7th** for your name to be published in the programs as a financial supporter.

**Thank you for your support of the Music Programs at NPS!**
