# The Ten Rules of Concert Etiquette

1. **Refrain from talking. The first and greatest rule. It also includes whispering to or disciplining your other children.**
2. **Refrain from unwrapping noisy candy wrappers during the performance. If the composer wanted to include crinkle paper noises to the music, he/she would have written it into the parts.**
3. **Turn off pagers, cell phones and watch alarms. While many cell phones and pagers have symphonic-like rings, they don't always fit into the musical score, nor do they provide pleasant sounds for your neighbors.**
4. **Do not wave to your children during the concert. After all, they do know who you are already, and they know you are there; you most likely brought them to the concert.**
5. **Do not take flash photography. You do not want your child to fall off the stage from blindness, do you?**
6. **Do not walk down the center aisle with your video camera. Video cameras work just as well from the back of the auditorium. (Besides; the light is usually not good enough for video taping anyway.)**
7. **Do not leave as soon as your child's portion of the concert is over. All of the students deserve a full audience for their performances. Remember, next time your child's song(s) could be last.**
8. **Applaud at appropriate times. Some musical selections have several sections. Remember, it's not over until all of the sections of that selection have been performed.**
9. **Do not leave the auditorium during the music. Wait for a break in the concert to visit the restroom, unless you are carrying a screaming child, in which case you should leave quietly and quickly. PLEASE!**
10. **Go to the concert expecting the best. You might just be surprised how good your student sounds when the other students join in!**

## STUDENT ACTIVITIES . . .
## An Extension of the Curriculum

One focus of our athletic department is to stress the importance of student involvement in all activities offered by the Norfolk Public Schools. We want our kids to participate in band, vocal music, forensics, drama and other activities that complement our basic academic program.

There has been some feeling that too many students are specializing in one or two areas and excluding others. We are enlisting the support of parents and the community in our efforts to develop well-rounded students. Student development and long-term success can be traced to their involvement in extra-curricular activities.

It is the intent of the Board of Education to create a smoke-free environment on all property of the Norfolk Public Schools. Our students and employees are our most valuable resources and in recognition of that, we promote the health, safety and well-being of each individual.

Since August 1996, nonsmoking has been the policy in all buildings and on all school grounds, as well as in all school vehicles. Employees and visitors are expected to honor the nonsmoking designations.

Violators will be asked to quit smoking and abide by this policy, or leave school property.

Thank you for your cooperation!

No more ties in Nebraska high school football. The Nebraska School Activities Association has adopted the nationally recommended over-time procedure for tie-breaking during the 1980 football season. This is the 10-Yard Overtime Procedure.

If a game ends in a tie, there will be a threee-minute rest period followed by a coin toss at the center of the field, and the visiting team will have the privilege of calling the coin. The winner of the toss has two choices: (1) go on offense or defense from the 10-yard line, or (2) designate the end of the field where the ball will be put into play. The basic rules of football are in effect. The first team on offense shall have a 4-down series from the 10. The idea is to score either by touchdown or by field goal and if a touchdown is scored, a team can attempt the extra points(s). any points scored are added to that recorded during the regular game. Next the team on defense gets the ball on the same 10-yard line for its own 4-down series. The team ahead after both teams have had an opportunity from the 10 will be declared the winner. If they are still tied, the procedure will be repeated until a team until a team outscores the other. (This sets up equal field conditions and will save some time, as opposed to going to the other end of the field for the second possession.

# Norfolk High School Music Boosters

You are being given this letter because you realize the importance of an education in the area of the arts. Involvement in the music programs offered at Norfolk High School provides students with opportunities to use their gifts and experience the arts in a way that help them be successful in their futures. Confidence, courage, determination and hard work are just a few of the values gained by our students.

The Music Boosters provide financial support to these programs and supplement the school budget. In addition to financial support, the Music Boosters provide many hours of volunteer service which enriches the experience of all music students

Please support the Music Boosters with your financial gift by filling out the Membership Contribution form below. It must be returned with payment before **September 6th** for your name to be published in the programs as a financial supporter.

# Norfolk High School Drama Boosters

The mission of the Theatre Boosters is to morally, financially and physically support theatre students at Norfolk Senior High.

This is an organization established in order to develop a working relationship between theatre students, teachers, parents, the school and the community.

We provide positive support for our children and all students involved in the various plays, musicals and Drama Club.

We provide meals throughout the season while the One Act team is traveling to competitions, during musical for rehearsal and performance evenings and during spring play for rehearsal and performance evenings.

We provide a scholarship to a graduating theatre student every year. In the past we have purchased various tools and equipment needed to build sets, aprons and sewing equipment for the tech crew and much more! We also sponsor the Back To School Bash for all theatre students.
We work hand-in-hand with the Norfolk High Theatre department and directors as a support system. We chaperone Drama Club and Theatre events, cook meals for activities and just provide extra hands for various events within the theatre department.

Please join us in supporting these talented Norfolk High students and helping them be the best they can be!

You can complete the below form and mail it to:
