NHS Theatre Boosters Membership Form

The mission of the Theater Boosters is to morally, financially, and physically support theatre students at Norfolk Senior High. This is an organization established in order to develop a working relationship between theatre students, teachers, parents, the school and the community.

Financial Assistance
We help provide a theatre scholarship for deserving seniors annually as well as meals for every show and dress rehearsal. In the past we have also provided the theatre students with various tools and equipment needed to build scenery, helped to send kids to Nebraska Thespian Festival, purchased aprons and sewing equipment to the technical crew, and much more!

Physical Assistance
We work hand-in-hand with the Norfolk High Theatre Department and directors. As a support system, we assist in countless ways every school year. We help to chaperone Drama Club and Theatre Department events, cook meals for all Dress Rehearsals and shows.

Support
We provide positive support for our children and all students involved in the various plays, musicals, and Drama Club.
