# MUSIC

You might have heard it through the grapevine, but here is another reminder that the Bel Air K-4 **concert is April 15th at 6:30 p.m.** in the Johnny Carson Theater at Norfolk High School. Students are brushing up on their moves, practicing their awesome smiles, warming up their voices, and memorizing the words to bring you an amazing performance in April. Please put it on your calendar since it will be a night worth remembering as students perform “Folk Songs and Fun”. More information will be shared in March. Looking forward to a great evening on April 15th!
