

Mrs. Herley's Class

Happy New Year!!! The first semester of school was a busy one! We have been working hard and learning tons of new things. We have been having a great time reading books from our "adapted" book library. Our favorites have been "There Was a Cold Lady Who Swallowed Some Snow" and "Mooseltoe".

In reading, we have been working on identifying the characters and setting of a story, as well as, learning to answer "wh" questions. We are also keeping informed with some great "News-2-You" articles. In math, we are working on identifying numbers, counting objects, adding, subtracting, and much more . During science, we learned all about life cycles! Now we are learning to sort objects by category and size, and find things that are the same and different. We are also learning about the five senses.

We are looking forward to 2019 and the second half of the school year. We plan to continue to work hard, become even more independent, and have fun while we learn new and exciting things!

Physical Education

Congratulations to the winners of the Elks Hoop Shoot free throw contest! Melia, Georgia, Jack and Taurus will move on to the next round at Northeast Community College and be representing our school. Good Luck!

Upcoming units:

Hockey

Juggling

Tumbling-parents it helps during this time if your child knows how to tie their shoes!

Bowling

Thank you for remembering your tennis shoes on PE days! Keep your eyes peeled for a fitness challenge to come home! –Mrs. Connot

Miss Batenhorst's Class

The Spirit of Giving Part II

A special thank you from her brother, SPC-Batenhorst

"I wanted to express how thankful I am to my sister's kindergarten class and all family members, friends or anyone who donated gifts for my unit. All of the candy, snacks, toiletries, Christmas cards and decorations were much appreciated. All donations were given to a soldier on Christmas day. I promise you, the smallest gesture can make the biggest smile. Once again, thank you for your continued support of the military and my unit. Happy holidays!"

-SPC Batenhorst

Happy New Year from Miss Jenkins' Second Grade Class

To ring in 2019, I asked each second grader to share their goal for the new year. Here are their responses in their own words:

Allie: write better

Avery: to be better at writing

Ayla: math

Beckett: 1+1+1+1 and 12+12+12+12

Brayden: learn more math

Briggs: better at math facts

Colin: eat more lunch

Dylan: better at math

Ericson: reading expression

Evan: get the Book-It award at the assembly

Gavin: learn more magnets and learn multiplication

Hudson: better at subtraction

Hudsyn: better at reading

Iris: better at math

Josie: read more books that give me information

Joey: math and not getting spelling words wrong

Karsyn: learn new stuff

Kylie: better at math

Landon: learn more words in reading

Logan: learn more multiplication problems

Luke: better at listening and I want more math

Molly: learn cool stuff

Nick: reading expression

Noah: learn new math

Shelby: learn a ton of things

Siarra: playing soccer

Taylor: read better

Valentino: 100% on spelling words

Zach: not get any spelling words wrong

We will be working hard to meet our goals this year!
