

NORFOLK PUBLIC MONTESSORI KINDERGARTEN APPLICATION

Norfolk Public Montessori Kindergarten has the following enrollment guidelines for the 2019-2020 school year:

1. Students must be age five by July 31.
2. The Kindergarten classroom is capped at 25 students.
3. The student's intent is to attend NPS Montessori through grade four.
4. New students are only accepted at the kindergarten level. If an opening should occur between the 1st day of school and the end of the 1st quarter, students on the alternate list will be contacted in order with the option to fill this vacancy.

Completed Kindergarten applications must be made to the Principal prior to April 1st. Applications will be available January 1 of each enrollment year.

Kindergarten applications for the Montessori program will be approved in the following order:

1. Kindergarten applicants who have a *sibling currently enrolled and attending the K-4 Montessori program will be approved first; provided they have completed and filed an application by April 1 of the current year of enrollment.
2. The names of all other prospective students who have a completed application on file will have their names placed on a list. Names will be drawn in an unbiased fashion to determine participants and alternatives.

*A sibling for this purpose means a child who resides in the same household on a permanent basis with a student who is currently attending the Montessori program and who has the same natural or adoptive parent or who is a stepbrother or stepsister. Policy #5006 definition

Note: The 2014-2015 enrollment guidelines related to siblings will continue to be followed for families who enrolled a student at Montessori under those earlier guidelines.

Please list the names of previous Montessori students that attended elementary school at Montessori if you qualify under the previous enrollment guidelines.

Each completed application made on April 1st and after will be considered after other completed applications have been processed based upon the above criteria. To assure your student a spot in Kindergarten next Fall, please also enroll your student in their neighborhood school.

It is very important to visit the Montessori program to gain a deeper understanding of the program. We will host two Montessori Information Nights--one on Thursday, Feb. 28 and the other on Monday, March 4. Both sessions will start at 7pm. You need only attend one session. The Montessori Information Night is an important part of the application process. If you currently have a student attending Lincoln Montessori, you may attend either session, but it is not required.
