

SCHWAN'S FUNDRAISER FOR MONTESSORI PAB

This year we will once again be doing the Schwan's fundraiser for PAB. This year, everything is ordered and paid online and the products get delivered to every customer's door no matter where they live! No need for pickup!

Our active campaign period will last from January 11th -February 24th. During this time, we will receive 20% back on all product sales and 40% back on eCertificates, (limit one per customer, per campaign). Our PAB will continue to receive 5% back on product sales for the next 90 days (Feb. 25th through May 24th) as long as future purchases are made through the Montessori fundraiser website or the Schwan's call center (1-855-870-7208).

Ordered products will be dropped off during the normal Schwan's route in every customer's neighborhood, no matter where they live. At checkout, you choose the drop off time or the driver will leave the products in a protected freezer bag at your door at no extra cost. How convenient!

The instructions for ordering are provided below. Make sure that you have friends and family enter the campaign ID 25483 if ordering online or provide that number when calling in an order. I will also email this flyer to you so you can forward it on to friends and family through email if you choose.
