

Chromebook Opt Out Form

I understand that Norfolk Junior High is offering the use of a Chromebook to my child for the upcoming school year. I also understand that teachers will have students using the Chromebook on a regular basis. With that understanding:

_____ I do not want my child to take their Chromebook home. I understand that my child will be assigned a Chromebook to be checked out and returned at the end of each school day. My child is still responsible for meeting all course requirements and completing all assignments on time and is responsible for any damage to the device.

_____ I do not want my child to have a Chromebook at all during the school year. I wish to opt out my child from having a Chromebook at Norfolk Junior High. I understand this may make it more difficult for my child to complete class assignments and that my child is still responsible for meeting all course requirements and completing all assignments on time.
