VERY IMPORTANT INFORMATION FOR STUDENTS ENTERING 7th GRADE !

There are 2 state requirements to be completed prior to entering 7th grade per the Nebraska state law. Please note that if these two requirements are not met, the student **WILL NOT** be able to participate in the schedule pick up process until the following requirements are completed and the paperwork has been turned in to the health office.

1. The Nebraska state law requires ALL 7th grade students to have a physical exam or a physical exam waiver signed by a parent/guardian PRIOR TO beginning the 7th grade. Students are REQUIRED to have this paperwork completed and turned into the school health office.

Parents/Guardians, please note that if your child is playing sports, that the sports physical must be completed AFTER the date of May 1, 2020. The NSAA athletic bylaws require the physical to be completed after May 1, 2020. If the physical is dated earlier than May 1, 2020, you will need to obtain a new physical. If you have any questions concerning this please contact the nurse's office.

2. IMMUNIZATIONS– **7th graders are required to have a TDAP booster.** Please bring the current immunization records with you to schedule pickup. If the student has not received the TDAP booster, the student will not be able to get a schedule until the state requirements have been met.

Schedule pickup will be the first part of August. **WE MUST HAVE THE ABOVE ITEMS COMPLETED IN ORDER FOR THE STUDENT TO PARTICIPATE IN THE SCHEDULE PICK UP PROCESS.**

Please call the health office if you have any questions concerning immunization requirements or physicals.

Thank You,
Cindy Fox, RN
NPS Junior High/ Middle School Nurse
