Awesome teacher! Truly cares about his students and pushes them to do their best! Makes learning fun!

To: Mrs. Burkink

"I like that she loves sports. She jokes with all the kids in the class and makes our day fun" -Student Mrs. Burkink relates so well to her students. She knows what motivates them and gets them excited about learning. She lets them have fun, but also runs an organized, well-behaved classroom. Both my boys have had her and she is a favorite in the Anderson household. She pushed the kids to work hard and do their best, and prepares them well for middle school. Thanks for being that teacher they will always remember! Much love to you, Beata!

To: Mrs. Burkink

We love the way she treats her students especially the special way she pushes them to their best potential without making them feel bad or inadequate. Our son can't say enough wonderful things about her this year. She has made a positive influence on our child and we love that!!
